DOWN AND OUT!

Special Judge Bruce Grannis Couldn't Sit In Case Here.

Owing to the relations of Judge Harbeson to one or two cases before his Court, he requested the Governor to name a Special Judge to take his place.

Governor Beckham, therefore, named Judge John D. Carroll of Henry county, and the appointment was made of record by the Clerk of this Court.

Before the time to act, Mr. Carroll informed the Governor that it was impossible for him to fill the place, and therefore Governor Beckham named Attorney Bruce Grannis of Flemingsburg for the position.

Yesterday morning Mr. Grannis assumed the Bench in Court here, when Attorney E. L. Worthington raised the question as to the regularity of his appointment.

It was contended that, Circuit Clerk Woodward having entered the order of Judge Carroll's appointment, it was also necessary for him to notify the Governor of his failure to sit, and of the consequent vacancy, before another Judge could be appointed.

Mr. Grannis shared this view, and stepped down and out.

Another outbreak against Negroes at Springfield, O., was occasioned by the shooting of one white man and the stabbing of another. A mob of over 1,000 moved on "the Jungs," the Negro quarter, and several buildings were burned. The two men who did the wounding were sent to Dayton to prevent lynching. Four years ago this same district was mobbed and burned, and a Negro, Richard Dickerson, who killed Police-man Charles Collis, was lynched.

Later—Police Sergeant Joseph Croager hit with a brick, and Charley Beltz lost an eye; a dozen Negro houses burned; four militia companies on hand to prevent further rioting. All saloons are closed. Of the 10,000 Negro population few are on the streets and many have left the city.

for some time, we are glad to report is some-
what better at this writing.

sale; some goes to Maysville and some to Nep-
ton; at each place they are paying good prices.

ter were the guests of Mrs. James Porter of
Mt. Carmel from Saturday until Tuesday of last
week.

Mrs. Jerry Ogden passed through here this
week en route to Bernard, where she has gone
to visit her husband, who is engaged in teach-
ing in Mrs. Jenny Carpenter's home.

Frank Lantern of Grandridge, Ill., who was
called home by the illness of his father, Cap-
tain Newt Lantern, of Petersburg, visited his
sister, Mrs. James L. Franklin, of this place
Sunday.

Thomas Fearin, accompanied by his wife and
nephew, D. M. Carpenter, left here Tuesday
morning for Cincinnati, where he has gone to
have his eyes operated on. He has been so near
blind he could not see his way for several
months past.

Well, as the Longworth-Roosevelt wedding
and Washington's Birthday, Tobacco Fair and
a few more notable events of this short little
busy month of February are numbered with
events of the past, we will once more take
our pencil in hand to "jot" down the local
happenings of this vicinity.

night.

in Lewis county Sunday.

Washington's Birthday was appropriately
celebrated at the schoolhouse Friday. Miss
Goodwin had prepared a neat program, which
the pupils carried out beautifully. Dr. Bowman
delivered an interesting and appropriate ad-
dress. Brother Godbey led the devotional part
of the exercise. Patriotic songs were sung.
The house was handsomely decorated with flags
bunting and evergreen. Certainly a most de-
lightful afternoon was spent.

FEARIS.

Snow No. 8, 6 inches deep.

Tom Fearis went to the city last week.

Sugar camps were opened and now they are
closed.

Lawyer Harley Scott of Trinity was on our
streets Monday.

Considerable tobacco still going to market—
Maysville and Manchester.

Messrs. Degman and Cole of Croxton Post
attended the Union Veteran Union meeting at
Manchester Saturday.

There are a few backward, prominent G. A.
R. comrades that should come forward and re-
new old acquaintance.

Mr. S. C. West, while heading off a calf the
other night, caught on a wire clothesline, broke
the bridge of his nose and knocked his teeth
out.

This place was well represented at the Mays-
ville Tobacco Fair for the first time. The
samples exhibited were quite an improvement
in the color and fiber than when the writer
was in the business and on the breaks in the
city 35 years ago. These Tobacco Fairs will
create an interest to improve and raise a better
article. There are too many raising the weed
that don't know nor care whether their tobacco
looks like a load of straw or hay when they
take it to market.

STOPS ANY ITCHING.

Doan's Ointment Cures Eczema and
Itching Piles. Maysville People
Recommend it.

One application of Doan's Ointment stops
any itching. Short treatment cures eczema,
itching piles, salt rheum—any skin eruption or
skin itching. It is the cheapest remedy to use,
because so little of it is required to bring re-
lief and a cure. Here is Maysville testimony
to prove it.

Mrs. Kate Poth, living at the corner of Clark
street and Forest avenue, Maysville, Ky., says:
"I gave a statement about Doan's Ointment
which was published in our Maysville papers.
I said that I had received most decided benefit
from the use of this remedy, procured at J. Jas.
Wood & Son's Drugstore. For a long time I
had an itching or eczema of the scalp. It
broke out in spots, and sometimes the spots
would appear on my forehead and temples. The
itching was particularly troublesome just be-
fore a rain, and was then so intense that I
could not sleep at night. It required only a
short use of Doan's Ointment to cure the trouble,
and the cure has been lasting for the past five
years. There has never been even an indication
of a recurrence. A friend of mine also had ec-
zema and tried everything for it but never found
anything to remove the annoyance. On my re-
commendation she used Doan's Ointment, and
was absolutely cured."

For sale by all dealers. Price 50 cents a box
